Kenwood House and Hampstead Village

Thursday 26th September 2019

This year's Andrew Davies led trip in London features Kenwood House and an exploration of Hampstead Village. The morning walk in and around Kenwood is about 300 yards and the afternoon, downhill through Hampstead Village will be about 850 yards.

After a cup of tea/coffee, we start at the East Lodge of Kenwood House, an archetypal Adam masterpiece with its fine Georgian interiors where Andrew will give his own take on the lovely grounds and magnificent views not to mention superb paintings by Rembrandt, Vermeer, Constable and several

Gainsboroughs. After a free-flow lunch in the Brewhouse we will leave Kenwood and the coach will drop us off at the top of Hampstead village. Andrew will then guide us through the achingly fashionable village of Hampstead pointing out its attractions, history, including John

Constable's grave, where the celebrities live and the Mary Poppins connection!

We will leave Sudbury long stay Car Park at 8 am and depart from London at about 4:15pm, arriving back in Sudbury at about 6:45 pm - 7:15 pm.
Cost, to include travel, donation to Kenwood House and driver's tip, will be **£39**. Please use the slip below & send to:-
